International contest of music and singing “MÚSICA DEL MAR”. The program of the contest in Spain is held in Lloret de Mar and for the gala concert participants of this prestigious festival move to Tossa de Mar where they perform in a stunning castle-fortress of the 12th century **Villa Vella**. People still reside in this city-fortress, offering a picturesque view of the Mediterranean sea and the stunning harbor of the Costa Brava.

The international contest features a variety of musicians, including pianists, guitarists, strung, bow, and wind instrument performers, as well as orchestras, soloists, classical and jazz singers, academic and chamber choirs.

⚠️ We give our priority to learning and sharing experiences. At this contest a big attention is paid to the educational program. The event includes master classes, workshops, rehearsals of joint numbers with foreign specialists with world names, whom we invite to upgrade the skills of the contestants and additional qualification of teachers. Teachers who have completed the master classes receive a certificate on a stamped paper of the Kingdom of Spain with individual numbers.

In this contest, an important role is assigned to the **jury**, consisting of world-renowned professionals in their field. They evaluate the technique, musicality, emotionality, and originality of the performances, helping to identify the most talented and deserving participants. That is why the **search for sponsors** to participate and support talented and promising participants is so important.

The festival contest of music evokes powerful emotions and creates a holiday atmosphere, with the beauty of the music perfectly complemented by the serene sound of the sea.

All of our programs consist of two parts:

1. Participation in the competition and festival
2. Participation in the Festival without competing in the competition*.

* For those who don't want to participate in the competitive program, but wish to participate in the festival. They will still participate in the other festival activities including: joint rehearsals, workshops and master classes, where they receive advice and an official certificate from the renowned international experts during a brief discussion in an open and friendly atmosphere. Non competing participants will also perform at international friendship concerts combining different kinds of art. Communication with other participants, an open exchange of experience as well as a lot of master classes with internationally recognized experts, will certainly bring you to a whole new level of creativity!
