		Prayer // The sculpture conveys the state of prayer, when a person remains alone with his spiritual dialogue with himself. Tears and cracks in the surface of the sculpture symbolize spiritual wounds. To heal, the figure turned to prayer - this is turning inward, but in the direction of higher powers, when there are few internal resources.	35 y.o.	Fine art Ceramic	88	77	79	81,33333333	II
