International choreographic contest “DANCING ITALY” is organized by the leader of festival movement in Europe – Fiestalonia Milenio. This dance contest is created thanks to the incredible amount of desires of participants from all over the world. It is a very good opportunity for dancers and choreographers from different countries to showcase their art at a prestigious competition in Europe under the famous brand of Fiestalonia.

The choreographic contest in Italy combines many forms of dance and various choreographic styles. It allows for the expression of artistic images through body movement, enabling participants to exchange not only between cultures and schools around the world, but also between different generations.

⚠ We give our priority to learning and sharing experiences. At this contest a big attention is paid to the educational program. The event includes master classes, workshops, rehearsals of joint numbers with foreign specialists with world names, whom we invite to upgrade the skills of the contestants and additional qualification of teachers. Teachers who have completed the master classes receive a certificate on a stamped paper of the Kingdom of Spain with individual numbers.

Independent choreographers, dance groups, dance schools, and up-and-coming dancers in their careers can participate in the contest. The dance contest is designed as

a meeting place for choreographers of different styles and schools to showcase their artistic imagination and talent. That's why **search for sponsors** to participate and support talented and promising participants is so important.

“**DANCING ITALY**”, the largest international dance competition in Italy, is a showcase where experts in the dance sector and the public can appreciate the work of promising dancers, and where choreographers can express themselves and their personal perception of the world through their performances. Participants will be awarded trophies, cash prizes, dance accessories, and diplomas signed by members of the **jury**.

All of our programs consist of two parts:

1. Participation in the competition and festival
2. Participation in the Festival without competing in the competition*.

* For those who don't want to participate in the competitive program, but wish to participate in the festival. They will still participate in the other festival activities including: joint rehearsals, workshops and master classes, where they receive advice and an official certificate from the renowned international experts during a brief discussion in an open and friendly atmosphere. Non competing participants will also perform at international friendship concerts combining different kinds of art.
