Today Batumi is the most important cultural, economic and tourist centre of Georgia. It is famous for the historical centre of the city and the modern tourist area with skyscrapers. The city with the richest history, mention of which occurs in the IV century BC, the Greek philosopher Aristotle.

In this Festival in Batumi, an important role is assigned to the **jury**, consisting of world-renowned professionals in their field. They evaluate the technique, musicality, emotionality, and originality of the performances, helping to identify the most talented and deserving participants. That is why the **search for sponsors** to participate and support talented and promising participants is so important.

All of our programs consist of two parts:

1. Participation in the competition and festival
2. Participation in the Festival without competing in the competition*.

* For those who don't want to participate in the competitive program, but wish to participate in the festival. They will still participate in the other festival activities including: joint

rehearsals, workshops and master classes, where they receive advice and an official certificate from the renowned international experts during a brief discussion in an open and friendly atmosphere. Non competing participants will also perform at international friendship concerts combining different kinds of art.
