## Spain, Barcelona – Costa Brava

2026	2027	2028
July 12 – 17	July 08 — 13	July 09 — 14

The international vocal contest in Spain **Voices of Costa Brava** holds special significance in the competitive lives of vocalists from various countries. Soloists, duets, trios, and ensembles who perform popular and original works are eligible to participate.

This annual noteworthy event brings together the most talented vocalists in Spain for the competition. During the contest days, representatives of city authorities and the media attend the performances. It is a unique opportunity to **search for sponsors** who can support young talents on the international stage of creativity.

A vocal masterclass program is provided for leaders. Participants are given the opportunity to visit excursions, intellectual games, and discos during their free time.

**⚠ We give our priority to learning and sharing experiences. At this contest a big attention is paid to the educational program. The event includes master classes, workshops, rehearsals of joint numbers with foreign specialists with world names, whom we invite to upgrade the skills of the contestants and additional qualification of teachers. Teachers who have completed the master classes receive a certificate on a stamped paper of the Kingdom of Spain with individual numbers.**

Based on the results of the vocal contest, laureates of three degrees and winners of the Grand Prix, diploma holders, and festival participants are determined by an international **jury** of vocalists. The vocal festival-contest in Spain is a celebration of

song and voice, and a huge honour to showcase oneself at a high level. Each vocalist participant in the Voices of Costa Brava festival competition receives prizes and diplomas from the founders and organizers of the festival.

## **All of our programs consist of two parts:**

1. Participation in the competition and festival
2. Participation in the Festival without competing in the competition\*.

\* For those who don't want to participate in the competitive program, but wish to participate in the festival. They will still participate in the other festival activities including: joint rehearsals, workshops and master classes, where they receive advice and an official certificate from the renowned international experts during a brief discussion in an open and friendly atmosphere. Non competing participants will also perform at international friendship concerts combining different kinds of art. Communication with other participants, an open exchange of experience as well as a lot of master classes with internationally recognized experts, will certainly bring you to a whole new level of creativity!
