Take part in the exciting Moment of Art quick drawing competition! We invite artists to a unique creative event on the spectacular coast of the Costa Brava. The competition offers participants a quick and intense opportunity to capture the beauty of the Costa Brava on their canvas. Participants can choose from picturesque rocky cliffs, coves, beaches, woodlands, or architectural structures for their work.

After the contestants' work, a jury evaluates the entries and selects the winners. During their free time, participants can interact with other creative people, attend workshops and enjoy the beauty of the Costa Brava.

You only have 1 day to complete the contest work! We will stamp your A3 canvas and show you scenic locations for plein air painting. You will be inspired by the beauty of nature and present your work in front of an international jury.

For many artists, the fine arts competition is a unique opportunity to be inspired by the beauty of the Mediterranean and to present their artwork for an international audience. Therefore, **finding sponsors** who can support young talents might be a great option to make this dream come true.

The exchange of experience among creative people always creates strong relationships for years. Competitive artworks are evaluated by a professional international **jury** according to expert evaluation criteria.
